

Spray Gun Extensions

Nozzle Extensions designed to reach out-of-the-way places. Models for general use and for specific applications. Use for conventional coatings with spray guns as listed. *Note:* When ordering, specify spray gun model that extension is to be used with and specify nozzle set-up. All extensions furnished with stainless steel needles. See Current Binks Price List for individual extension part numbers. Standard lengths shown in chart below. Custom lengths (◆) and Custom styles (☒) are available as special order - please call Binks Customer Service for pricing. All Gun extensions are special order and are not subject to return.
